PRESS RELEASE

FIRM LAWYER JOSE A. RODRIGUEZ, ESQ ACHIEVES BOARD RECOGNITION AS A CONSTRUCTION LAW EXPERT

The Soto Law Group, P.A., is pleased to announce that Jose A. Rodriguez, Esq., has been recognized by the Florida Bar as a Board-Certified Specialist in Construction Law. Board certified lawyers are evaluated for professionalism and tested for expertise. Of the lawyers eligible to practice law in Florida, 7 percent have earned board certification.

Board certification is the Florida Bar's highest level of recognition of an attorney's competence and experience in one or more of the 26 areas of law approved for certification by the Supreme Court of Florida. Only attorneys who have earned the Florida Bar's "board-certification" distinction are allowed to describe themselves as legal specialists or experts in a specific field of practice.

To receive his designation as a Florida Board Certified Specialist in Construction Law, Mr. Rodriguez was required to demonstrate expert competency in various areas of construction law.

The Soto Law Group, P.A., is very proud that Mr. Rodriguez is the third of its lawyers to achieve distinction as a specialist in Construction Law. Mr. Rodriguez joins his colleagues, Felena Talbott, Esq., and Oscar Soto, Esq., as firm lawyers who are Board Certified in Construction Law.
